

## Conference Notification

### 1st International Conference on Digital Communications and Computer Applications(DCCA2007)

<http://www.cis.just.edu.jo/dcca2007/index.html>

The 1st International Conference on Digital Communications and Computer Applications (DCCA2007) is a forum for scientists, engineers and practitioners to present their latest research results, ideas, developments and applications in all areas of Digital Communications, Computer Science, and Information Technology. DCCA2007 will include presentations of contributed papers and state-of-the-art lectures by invited keynote speakers. This conference welcomes papers focusing on, but not limited to, the following research topics:

WIRELESS NETWORK.  
CRYPTOGRAPHY AND NETWORK SECURITY.  
SIGNAL PROCESSING, PATTERN RECOGNITION AND APPLICATIONS.  
DIGITAL IMAGE PROCESSING.  
SPEECH PROCESSING.  
PARALLEL AND DISTRIBUTED COMPUTING AND NETWORKS.  
INFORMATION RETRIEVAL AND INTERNET APPLICATIONS.  
SOFTWARE ENGINEERING.  
E-TECHNOLOGY.  
ARTIFICIAL INTELLIGENCE AND APPLICATIONS.  
DATABASES AND APPLICATIONS.  
Location

DCCA2007 will be hosted by the Jordan University of Science and Technology, located in Irbid, north of Jordan. The climate is pleasant and appealing during the conference period. Temperature ranges between 18 c to 25 c and the sky is mostly sunny. Jordan has become known for many pleasant places; such as the Dead Sea, Petra, Aqaba, Jarash, and others. For more information about Jordan visit <http://www.mota.gov.jo>

Program Chair

The best 30 papers will be considered for publication in a special issue of 3 refereed Journals.

**EVALUATION PROCESS**  
Each paper is evaluated by two reviewers according to a certain format. The evaluation of the submitted papers is based on the importance and usefulness of the research topic. Technical, merits, soundness of results, and clarity of presentation are also considered as factors of the evaluation process.

#### **Important Dates**

Submission of papers deadline: Nov. 1st, 2006.  
Notification of acceptance: Dec. 1st, 2006.  
Camera ready submission and registration: Jan. 10th, 2007.  
Conference date: March 19-22, 2007.

3rd International Advanced Database Conference (IADC-2007)  
April 4-6, 2007, San Diego, California, 92127, USA  
<http://www.conferencehome.com/iadc.htm>

#### **AIM AND SCOPE**

The 3rd International Advanced Database Conference (IADC-2007) aims to bring together researchers and professionals from industry, academia and government to advance the state-of-the-art in modern database systems, and encourages wider collaboration between academics and industries. IADC-2007 invites high quality papers describing original ideas, innovative findings and results on all forms of database systems and database technologies. The conference includes keynote speeches presented by technology and industry leaders, technical sessions, professional development courses and seminars, as well as vendor exhibits. A special track of the conference is devoted to SOFTWARE ENGINEERING and DATA ENGINEERING.

IADC-2007 conference proceedings will be published by US Education Service with an ISBN. Authors are invited to submit manuscripts that demonstrate original unpublished research pertaining database systems. The topics of IADC-2007 include, but are not limited to:

- List of Topics
- Distributed Data Base Systems Design
  - Temporal Database Systems
  - SOFTWARE ENGINEERING and DATA ENGINEERING
  - Cooperative Information Systems
  - Distributed Query Processing
  - Data Encryption
  - Security in Wireless Database Systems
  - Security and Privacy in Database Systems
  - Data mining
  - Data warehouse
  - Knowledge Management Systems
  - Semi-structure Database Systems
  - Web-based Database Systems
  - Multi-valued Data
  - Bio-informatics
  - Database Communications Systems
  - Data Compression Methods

#### **IMPORTANT DATES**

Full paper (Electronic Submission or by mail) due: December 4, 006  
Abstracts for Posters (Electronic Submission or by mail):December 4, 2006  
Workshop, Tutorial, Panel Proposals due: December 4, 2006  
Notification of Acceptance: January 14, 2007

Pre-Registration and Camera-Ready paper/abstract due February 14, 2007  
Pre-conference Tutorials/Workshops April 04, 2007  
Conference: April 4-6, 2007

#### **International Conference on Islamic World, Information Technology, and Information Society**

<http://www.ui.ac.ir/ic3i/>

Location: Isfahan, Iran  
Date: 11 - 13 December 2006  
Organised by: Department of Computer Engineering, University of Isfahan

#### **Conference Topics**

Authors are invited to submit their papers reporting latest research results, industrial developments, and findings in the following main tracks:

- ICT and development of the Islamic world
- Models, guidelines, and best practices for IT infrastructure development
- Internet and production and distribution of the Islamic digital contents (software, multimedia and e-learning)
- IT ethics and legal issues
- E-Government
- E-Commerce
- IT security issues in the Islamic countries
- Open source software

#### **PAPER SUBMISSION**

Papers, using single-spaced text and not longer than 8 pages including figures, tables and references, must be submitted electronically in the PDF format to [ic3i@eng.ui.ac.ir](mailto:ic3i@eng.ui.ac.ir) as an attachment. The paper should clearly indicate the complete postal and electronic mailing addresses, as well as phone and fax numbers of the corresponding author. Papers should be about the conference topics, and not have already published elsewhere. At least 3 referees will review each paper. Papers can be submitted in both English and Persian Languages. The language of the presentation will be according to the language of the paper. All accepted papers will be published in the conference proceedings, in paper and in CD-ROM support.

**Important DATES:**

Full paper submission:..... Sept. 6, 2006  
Acceptance notification: ..... Oct. 9, 2006  
Final paper submission:..... Nov. 6, 2006  
Conference Date: ..... Dec. 11-13, 2006
